**2010 Association Projects:**

Guest Speaker Tino Adame, of the American Legion Karl Ross Post #16, gave background on the American Legion and its impact on the community. Discussion took place about a possible group community project between the American Legion and the

SJCPOA. About 2/3 of their funding has been cut and they are reaching out to the community for support. One program of interest are their “Boys State” and “Girls State” programs. Both programs sponsor teenagers for youth leadership programs throughout the state. The cost of “Boys State” is \$500 dollars per youth (4 sponsored kids in the program); while Girls State is \$250 per youth (4 sponsored kids in the program). Mr. Adame also expressed an interest in obtaining financial support for their annual 4<sup>th</sup> of July parade, as funding has been cut for that event as well. The Association brought up the possibility of sponsoring a golf tournament for the American Legion. A decision on the SJCPOA’s level of support was tabled.
